

# CryoXcel

## CRYOGENIC CHAMBER FEATURES

- Unique release valves and patent-pending CryoFlow air circulators to ensure even and safe distribution
- Dynamic and adjustable range for exact temperature control
- Easily moved by one person through standard-sized doorways
- Multiple advanced features for liquid nitrogen efficiency - up to 20% more efficient than comparable saunas

**Atlanta Hyperbaric Center** sells the best quality Liquid Nitrogen Cryo Chambers on the market today. No one in the industry offers the guarantees and support that we do.

**(770) 948-4511**
